

To the committee of Ashgrove Rangers Athletic Club Inc:

Scope

You have requested that we audit the financial report of the Ashgrove Rangers Athletic Club Inc for the year ending 30 June 2017. We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter.

We will conduct our audit in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures will include examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures will be undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements and relevant statutory and other requirements so as to present a view which is consistent with our understanding of the financial position, the results of its operations and its cash flows.

The work undertaken by us to form an opinion is permeated by judgment, in particular regarding the nature, timing and extent of the audit procedures for gathering of audit evidence and the drawing of conclusions based on the audit evidence gathered. In addition, there are inherent limitations in any audit, and these include the use of testing, the inherent limitations of any internal control structure, the possibility of collusion to commit fraud, and the fact that most audit evidence is persuasive rather than conclusive. As a result, our audit can only provide reasonable - not absolute - assurance that the financial report is free of material misstatement.

Our audit procedures are designed to gather sufficient appropriate audit evidence to form an opinion on the financial report. Unless otherwise agreed with you in writing, we assume no responsibility to design audit procedures to identify matters that may be appropriate to report to you.
